# A MESSAGE FROM MRS TABRETT

Welcome to the February Newsletter.

The month begins with Safer Internet Week and Children's Mental Health Week. Both subjects are so important for our children who are growing up in a world that is saturated with ever changing technology.

The children will be learning about how to stay safe on-line and what to do when things go wrong. It is vital that you know the websites and Apps that your children are accessing and also check the games that they are playing. Sadly, in school we are dealing with inappropriate behaviour and language that has been learnt on-line. On-line safety is also a key feature of our safeguarding in school. Please click on the link, which will take you to our safeguarding page on the website.

<https://www.manorinfants.com/safeguarding/>

Mental Health is also a subject that is having an impact on all our lives. In school, we work extremely hard to provide a safe environment for the children to work in. We all need some time to reflect on our busy lives and this includes the children. We will be finding ways to celebrate who we are and how we can ensure we live happy and fulfilled lives. This starts with enjoying our school days and developing a lifelong love of learning, which is our school vision. Please talk to the children about what they are learning in school this week.

Over the past weeks, the teachers have been meeting with the senior leaders and our SEN coordinators to look at the progress and attainment for all our children. We look in detail at our data, the children's books and information gathered from our learning walks. Through our discussions, we look for any gaps in the learning, which then informs our future planning to ensure all our children receive the very best education.

You are invited to come and celebrate the children's hard work on the 5th or 7th March. You will be able to look at the children's books and speak with your child's teacher to discuss their progress so far and targets for the next term. You will be able to sign up for an appointment on the SchoolCloud. Look out for the information on Parent Hub.

We are making progress with our new website. The developers will be in school next week to discuss the possible new designs and layouts. We hope the new website will be easier to navigate.

School life continues to be action packed with visits to local places of worship, sporting events, visitors in school and Chinese New Year assemblies to look forward to. Do check our website and ParentHub as this keeps you up to date with all the events that happen across the school.

Yours Sincerely,

*Mrs A. Tabrett*

Mrs A Tabrett  
Executive Headteacher

## VALUE FOR FEBRUARY: **LOVE**

We will be discussing with the children during assembly and class time about what it means to feel 'love'.

We will be thinking of ways we can feel love as well as show love to others.

Here are some ways that we can show or feel love:

- ♥ To be a role model by saying nice things to others
- ♥ To say thank you when someone says something nice to us
- ♥ To share toys with others to show you love them as a friend
- ♥ To always show respect to each other
- ♥ By feeling safe with those around you who care for you

At home you can discuss:

- ♥ What did you do today to show your friend you love them?
- ♥ Who made you feel safe and loved today?
- ♥ What does your child do that makes you love them?
- ♥ Ask your child what do you do that makes them feel loved
- ♥ If you're feeling down who could you talk to at home or at school?

Also, listen to the song 'All you need is love' by The Beatles or 'Love is in the air' by John Paul Young. How do you feel listening to these songs?

# DATES FOR YOUR DIARY

<b>Mon 5 Feb</b>	Children's Mental Health Week
<b>Mon 5 Feb</b>	Safer Internet Week
<b>Tue 6 Feb</b>	Maths Experience Sessions (Reception & Year 1)
<b>Tue 6 Feb</b>	Safer Internet Day
<b>Tue 6 Feb</b>	Year 4 Visit Durham Mandir - Ilford
<b>Wed 7 Feb</b>	Maths Experience Sessions (Reception & Year 1)
