

# Manor Primary School

## Newsletter

### September 2023 Edition 1

Dear Parents/Carers

Welcome back to school.

I hope you all enjoyed the summer break.

We are all delighted to see the children who have returned to school this week. They are all looking very happy to be back and eager to learn.

There are a few changes this year. The name of the school has now changed to Manor Primary School. The uniforms with our new logo are now available to be purchased from the school office.

The gates are open at 8.45am and registration for the children will be at 8.50am. Please ensure that you arrive to drop the children on time, as we do not want to lose any learning time.

The school day now finishes at 3.20pm. Again, please be on time. It is very distressing for the children when you are late.

Remember to check our website for updates about school events and to find the weekly planning for each year group. This will help to keep you up-to-date with your child's learning.

If you have not downloaded our ParentHub App, please do so today. It is a quick and easy way for us to send out information and if you sign up, there is no cost to the school. The office staff will be happy to support you with this.

I am delighted to announce that Mrs Tynan had a beautiful baby boy called Alexander. Mum and baby are doing well and she hopes to come and visit us soon.

As you know we have very high expectations for all our children. All the staff are excited to be back and are looking forward to very productive and busy year.

Yours Sincerely

Mrs Tabrett

Executive Head Teacher

# Values

## Value of the Month: Our 5 Core Values

**VbE**  
Values-based Education  
nurturing wellbeing and resilience

**Our 5 Core Values**

- Caring**: Children care about themselves, their friends, their family, their community and their world.
- Respect**: Children respect themselves, their friends and adults. They think about their own words and how this may hurt other's feelings.
- Tolerance**: Children are tolerant of everyone in their world regardless of gender, race, ethnic background of disability.
- Resilience**: Children are able to have a go at anything. When they struggle they learn the tools of how to overcome it and know how to do it again next time without giving up.
- Cooperation**: Children work together with everyone as a team. They support each other and are proud of their achievements.

Our 5 Core Values are the focus of our assemblies this month. We will be finding ways to use them in our everyday routines. These 5 values underpin the whole of our Values programme. We expect to see our children demonstrate these core values daily, both at home with their families and at school with their teachers and friends.

Each month, we will inform you of the focus value and how you can support your child. Please also look out for the Values newsletter which will share examples of the children's work.

# SAVE THE DATE
