## MESSAGE FROM MRS TABRETT

Dear Parents/Carers,

Welcome to the final newsletter for 2023. This term has flown by.

Christmas is keeping us all busy. School is filled with singing as the children practice and perform their concerts. All the dates for the concerts have been sent out on ParentHub and can be found on the website.

Christmas dinner, class parties and a visit from Father Christmas will all take place on the last day of term, Thursday 21<sup>st</sup> December. The children may wear a Christmas jumper or party clothes on that day. It will be a fun and memorable end to the term.

I would like to introduce you to our two new Co-opted Governors. Meryem Karapinar is the former Chair of the PTA at Manor Infants and has a background in the financial sector working for a global bank. She is also an advocate of financial education and has supported children of all ages with their finances by leading workshops and teaching the children how to budget and open accounts.

Alex Brooks is a senior leader at Barking Abbey School and brings a wealth of educational experience to our team. Part of his role is to support the transition from Year 6 to 7 which is such an important time for our pupils.

Myself and the Governors are very much looking forward to working with our new recruits.

The ballot for parent Governor closes on Wednesday 13<sup>th</sup> December.

Please submit your vote if you haven't already done so. I look forward to introducing the next new Governor to our school team in January.

Don't forget to come a long to the Christmas Fayre which is on Thursday 14<sup>th</sup> December. Please collect your children as usual and the team will invite you back into school as soon as we can.

Thank you for all your support this term. I would like to wish you all a wonderful holiday.

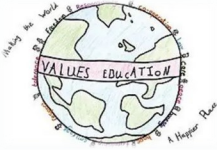

School will open on Thursday 4<sup>th</sup> January at 8.45am.

Yours Sincerely,

*Mrs A. Tabrett*

# VALUES EDUCATION

OUR VALUE OF THE MONTH IS

' H O P E '

In class and during assembly time we will be discussing what it means to have hope for others and ourselves. Hope is a feeling of expectations and desire for something to happen.

Some of the ways that we can have hope is:

- Getting to the next coloured book band in reading.
- Hope that I get the new pet I really want.
- Hope that I can go away with my family on holiday.
- Hope that everyone in my family stays well.
- Hope that I can master a particular skill I have been working on such as handwriting or a sport.

At home, you can discuss the following:

- What do you hope to be good at one day?
- What job do you hope to do as an adult?
- What do you hope to get for your birthday?
- What do you hope for your family?

In this challenging time, our hope is that our children, families, staff and friends all stay healthy and safe and that normality returns in the near future.

***'Hope is a waking dream.'***

***'Action is hope. There is no hope without action.'***
