STARRY NIGHT

To celebrate the start of our new topic 'Starry Night', Nursery came to school dressed in their pyjamas!

MANOR
PRIMARY SCHOOL

We spoke about what happens at night, explored the giant teeth and toothbrush whilst discussing how and why we brush our teeth and even enjoyed a bedtime story.

Reception had a fun filled end to the Autumn term!

The children enjoyed making Christmas decorations and cards and got to perform their concert for their parents and carers.

The staff were very proud of the effort the children made to learn lines, songs and actions then bravely put on a fantastic performance!

We also enjoyed a visit from the Barking Dog theatre who performed the pantomime Dick Whittington for us.

MANOR

We finished up the term with a class party, playing games and dancing which was great fun for everyone.

We're all looking forward to the fun to come in the Spring term!

All the children had had an amazing time during their first swimming session!

In addition to swimming having a calming effect on the children, it is an excellent form of low-impact cardiovascular exercise for the whole body.

Swimming also helps to develop strong bones and muscles and promotes flexibility and co-ordination.

The children continue to develop their social skills by being taught how to act appropriately around other people and how to respect other people's spaces.

We are having an amazing time learning new skills!
