In Nursery, we have been learning about the celebration of Diwali.

MANOR

The children manipulated clay to make divas and rolled them in sparkly glitter!

PRIMARY SCHOOL

We looked at pictures showing fireworks and had the opportunity to make Rangoli Patterns with different shapes.

We have been enjoying lots of fun activities in Reception this month whilst learning more about our local area and what it means to be part of a community.

We used Google Maps to explore the area, then went for a lovely walk, taking time to appreciate the diverse shops in our community as well as the sporting landmarks such as Barking Football Club and the Jim Peters stadium.

We then created our own maps of our journey.

ARP NEWS

November has been a fun packed month. We had an opportunity to visit ELHAP which is an outdoor adventure playground. It was an exciting and pleasurable event.

We also had an opportunity to learn about road safety. A lady from the borough visited us in the ARP and showed us how to cross a road safely. We dressed up brightly to mark "Be Bright, Be Seen" day.

Another event we took part in, was Children in Need Day. We dressed up in spotty clothes and raised money.

As part of our cross-curricular learning, we continue to bake every week; the children love it. We also continue to focus on developing the children's fine and gross motor skills through other carefully crafted activities such as music, indoor and outdoor play.
