The Councils commitment to the Whistleblowing Policy

This Whistleblowing Policy sets out the Council's commitment to ensuring compliance with the requirements of the Public Interest Disclosure Act 1998 as amended by the Enterprise and Regulatory Reform Act 2013. The council has designated the Monitoring Officer as the Whistleblowing Officer.

What are the aims and requirements of this policy?

The Council wishes to encourage and enable employees and persons providing services on behalf of or to the council to raise serious concerns within the Council rather than overlooking the issue or 'blowing the whistle' outside.

For that reason, this policy has been put in place to make sure that if you want to come forward and raise any concern within the remit of this policy, you can do so with confidence and without having to worry about being victimised, discriminated against or disadvantaged in any way as a result.

Executive Summary

Sometimes employees and those who contract with the council are the first to spot that something is wrong and putting the council and/or its residents at risk but are reluctant to act for fear of not being taken seriously, that their concerns may not be justified or that they may be victimised for speaking out.

Legislation is in place to protect those that raise legitimate concerns in the public interest and in the right way.

This policy sets out the concerns that are dealt with under the whistleblowing procedure, the way in which you may raise concerns and how the Council will respond to those concerns.

Whistleblowing Policy

It is our policy to promote a culture of openness and a shared sense of integrity throughout the Council by inviting employees to act responsibly in order to uphold the reputation of the Council and maintain public confidence.

What is whistleblowing?

Whistleblowing is the reporting of suspected, or ongoing, wrongdoing at work.

We are committed to being open, honest and accountable. For this reason, concerns about malpractice and impropriety are taken very seriously. We want you to be able to raise any concerns that the interests of others and the Council (and therefore residents of Barking and Dagenham) are at risk, within the Council rather than overlooking the issue or 'blowing the whistle' outside.

This is because members of staff may be the first to spot anything that is seriously wrong within the council, however, they might not say anything because they think this would be disloyal, or they might be worried that their suspicions are not justified. They may also be worried that they, or someone, else may be victimised.

That is why we have produced this whistleblowing policy to help staff, including agency workers and contractors, to contact us with concerns. This policy has been put in place to make sure that if you want to come forward and raise any concern which you feel relate to illegal, improper or unethical conduct, you can do so with confidence and without having to worry about being victimised, discriminated against or disadvantaged in any way as a result.

Who is covered by this policy?

The whistleblowing policy applies to all staff including those in schools as well as anyone designated as casual, temporary, agency, contractors, consultants, authorised volunteers or work experience. It also covers those working for suppliers/providing services under a contract with the Council where this or an equivalent whistleblowing policy is in force.

To ensure your concern is treated as whistleblowing, you must identify yourself and the policy is in place to encourage this. We will consider anonymous allegations, but it is less likely that we will investigate and achieve a successful outcome.

What types of action are covered by the policy?

The policy is intended to deal with serious or sensitive concerns about wrongdoings that are in the public interest – referred to as public interest disclosures. Your concern may be about members of staff, people who work directly for the Council, suppliers, or people who provide services to the public for us.

When you raise a concern under the whistleblowing policy it must be in the reasonable belief that it is in the public interest to do so. We may ask you to sign a declaration to ensure you understand this principle.

Examples of concerns that may be in the public interest are suspected, or ongoing actions, that fall into the following categories: (the list of actions under each category is not exhaustive)

Criminal Offences

- Misuse of Council funds or Improper or unauthorised use of Council money
- Other fraud or corruption
- Bribery
- An unlawful act
- A person abusing their position for any unauthorised use or for personal gain

Failure to comply with legal obligations

- A person deliberately not keeping to a Council policy, official code of practice or any law or regulation
- A person being discriminated against because of their race, colour, religion, ethnic or national origin, disability, age, sex, sexuality, class or home life

Actions which endanger the health or safety of any individual

- Service users, children or students, particularly children and adults in our care being mistreated or abused
- Any other danger to health and safety

Actions which cause damage to the environment

- The environment being damaged (for example, by pollution)

Actions which are intended to conceal any of the above

- Other wrongdoing including instances where attempts have been made to conceal or cover up wrongdoing

What is not covered by the policy?

You cannot use this policy to deal with serious or sensitive matters that are covered by other procedures, for example:

- Staff complaints about their contract of employment as these are dealt with through our Grievance or Managing Performance at Work procedures.
Customers' complaints about our services as these are dealt with through our Corporate Complaints Procedure.
- Allegations against Councillors; these should be sent in writing to: Monitoring Officer, Law & Governance, London Borough of Barking and Dagenham, Barking Town Hall, 1 Town Square, Barking IG11 7LU. Write "Private and

Confidential" on your envelope. Alternatively, a complaint form and other information is available at:

<https://www.lbbd.gov.uk/council/councillors-and-committees/councillors/complaints-about-councillors/how-to-complain-about-a-councillor/>

You also cannot use this policy to raise issues that have already been settled through other procedures, for example, matters previously resolved under the Council's Disciplinary Rules procedures.

Protecting you

If your allegation is true, you have nothing to fear. But we understand that deciding to blow the whistle is not easy.

When you make a protected disclosure, you have the right not to be dismissed, victimised or subjected to any other detriment. Therefore, we will not tolerate any harassment or victimisation of a whistleblower and will treat such actions as a serious disciplinary offence which will be dealt with under the council Disciplinary Procedure.

We will do our best to protect your identity and keep your concerns confidential if this is what you want.

There may be occasions when you will need to provide statements of evidence for us to conclude the investigation. In this case, we will not reveal your name or position without your permission or unless we must do so by law; for example, if the evidence is required in Court then your anonymity may be subject to the decision of the Courts.

If you work for the Council, you should also know that any allegation you make will not influence, or be influenced by, any unrelated disciplinary action against you or any redundancy procedures that may affect you.

How to raise a concern

The earlier you raise a concern, the easier it will be to take effective action. You should first raise your concern with your immediate Supervisor or Manager (obviously, this will depend on the seriousness and sensitivity of the matter, and who is suspected of the wrongdoing). Alternatively, you may also raise concerns with your Director. Concerns that involve financial malpractice should always be raised with Officers within the Assurance Group.

Please note that any concerns that relate to professionals who:

- Behaved in a way that has harmed a child, or may have harmed a child;
- Possibly committed a criminal offence against or related to a child; or
- Behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children.

Will need to be referred to the Local Authority Designated Officer (LADO) in Children Services: lado@lbbd.gov.uk who will determine if a specific child protection investigation is required.
